

Nomadic Instand®

The Original - The Best

WHY BUY NOMADIC INSTAND POP-UP SOLUTIONS?

CHOOSE NOMADIC: CHOOSE...

THE ORIGINAL

Invented by Ted Zeigler in 1975, Nomadic Instand® revolutionised exhibitions worldwide with its revolutionary self-locking technology allowing fast installation by one person.

PORTABILITY

Lightweight and compact units that are easy to transport in tailor made casing.

ECONOMY

A smart Investment that yields real value for money over years of continuous use

10 MIN SETUP

3 meter walls can be set-up in 10-minutes, by one person.

FLEXIBILITY

Reconfigure designs or scale your display up by integrating with other units or Nomadic Display products.

LONGEVITY

Durable construction, that's covered by a guarantee for life, no questions asked.

VERSATILITY

Easy to replace branding, means you can change your messages easily.

ACCESSORIES

A wide range of accessories will help you to change the functionality of your stand.
