# Nomadic Instand®

**Portable pop up displays are a great way to support your brand marketing. Whether you are exhibiting, launching a new product or you need a good back drop for presentations, a pop up display is an effective solution.**

Our self locking system is quick and easy to set up by just one person and can be used for a lifetime and back by our unique No Questions Asked warranty. The Nomadic pop up is unique in that it can integrate and join together with any products in the Nomadic range to grow with your changing needs.

Use your pop ups as a stand alone display or combine for a larger event,however you use them they give you speed of set up, they are lightweight for transportation and durable to withstand frequent use.

Nobody knows a pop up like Nomadic Display!

# THE ORIGINAL

## INVENTED IN 1975

Invented by Ted Zeigler in 1975, Nomadic Instand revolutionised exhibitions worldwide.

Zeigler, a graphic designer inspired by R. Buckminster Fuller's creation of the geodesic dome, launched the first self-locking pop up display: the Instand. Zeigler established Nomadic Display to manufacture and market his invention.

The success of the Nomadic pop up has been a testament to the practicality of the system as even today it continues to deliver professional, high impact graphic presentations that are compact, lightweight and easy to set-up. The Nomadic Instand pop up display range save you time and money on storage, transportation and labour.

# THE BEST

Nobody knows pop up displays like Nomadic. Instand pop up displays deliver a high-impact graphic presntation that is compact, lightweight and easy to understand.

- Self-locking technology for the fastest set-up.
- Crossbracing throughout provides superior stability.
- Steel-on-steel hubs give maximum strength.
- Magnetic self aligning panels.

## 'NQA' NO QUESTIONS ASKED WARRANTY

Nomadic pop up Instand frames are covered by our "No Questions Asked!" Lifetime Warranty; providing coverage unmatched in the display industry, a testimony to the system's quality and a unique selling point.

Nomadic Display will repair or replace any returned frame or magnetic mounting system that fails to function for any reason – free of charge – for a lifetime of ownership! This provides you with the ultimate stress free exhibiting experience, knowing that you are covered.

## MANUFACTURED IN EUROPE

Nomadic Instand frames are 100% "Made in Europe". We stand over the quality of our frames and use only the highest quality materials. All Instand frames are manufactured in our 40,000 sq foot purpose designed manufacturing facility in Ireland since 1981.

# CURVED OR FLAT

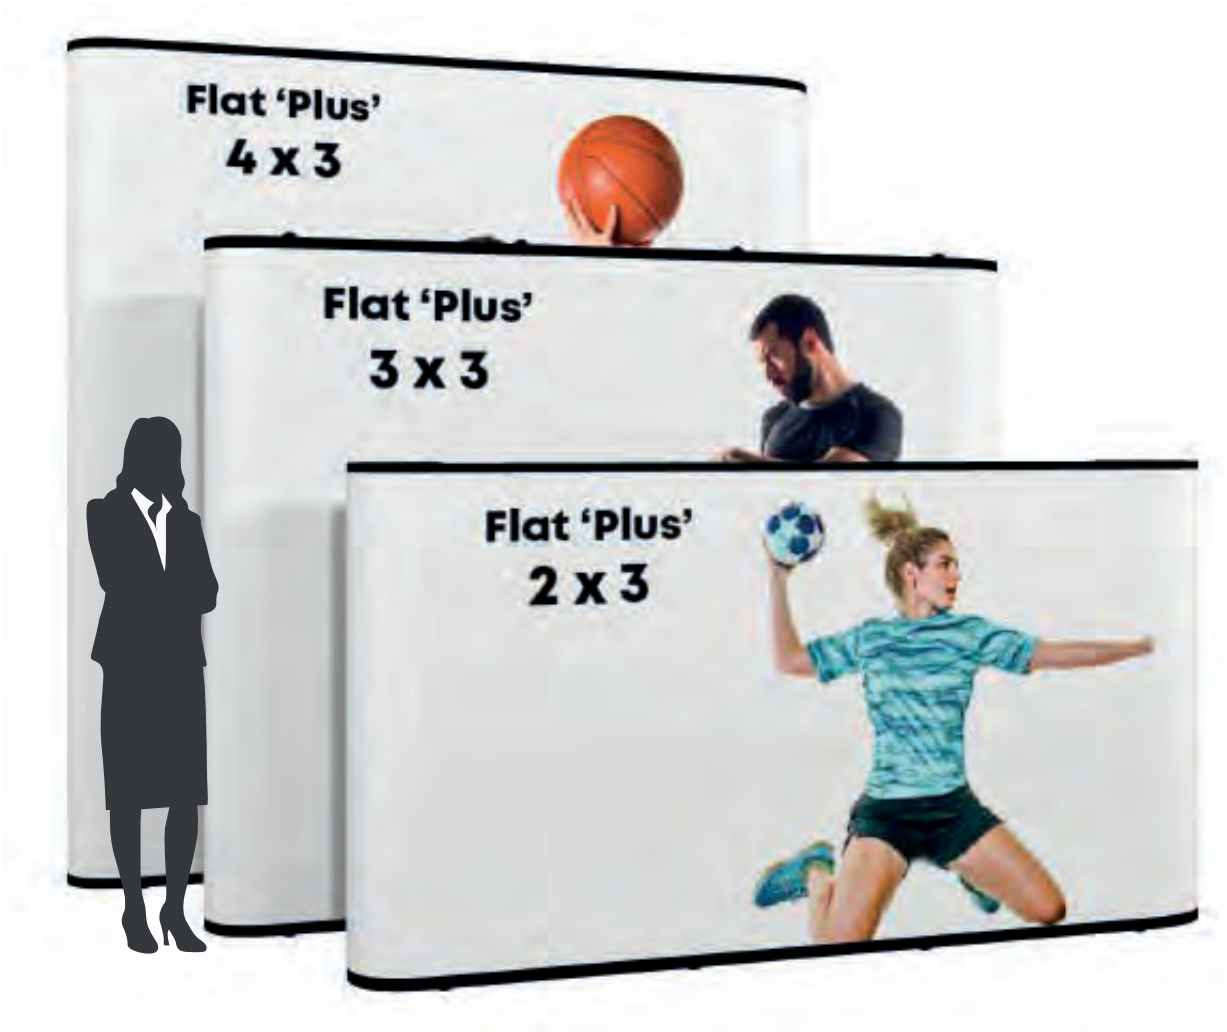
## CURVED 'CLASSIC' FRAME

Curved pop-up displays are the perfect solution to use at exhibitions to transform your booth into an inviting and engaging stand.

## FLAT 'PLUS' FRAME

Nomadic Display's 'Plus' Series is an excellent choice for events and exhibitions with it's clean lines and sturdy construction.

# RANGE OF SIZES



## WIDE RANGE OF SIZES AND CONFIGURATIONS AVAILABLE

Nomadic Instand frames come in a variety of different widths and heights. This ensures that no matter what your need, we have a solutions. Frames can be combined together to create uniques combinations or XL backdrops for maximum attention.

# MODULARITY

## NOMADIC INSTAND - MODULAR, POP UP WALLING SYSTEM

The Nomadic Instand pop up is unique in that it can integrate and join together with any products in the Nomadic range to grow with your changing needs.

# THE COMPLETE SOLUTION

# ACCESSORIES

## UNLOCK THE FULL POTENTIAL OF YOUR DISPLAY

Upgrade your Display Stand by adding accessories and provide an engaging interactive experience that gives you the perfect platform to showcase your brand and stand out from the competition.

**Literature Holders**

**Product Display Showcases**

**Tablet Mounts & Displays**

**TV Mounts**

**Floating Product Display Shelves**

# LIGHT UP!

**Nomadic Instand frames can be combined with our LED backlit displays to create a high-end ambience that will help you increase sales and brand awareness at your next display event.**

BrightWall backlit fabric display units create a high-end ambience that will help you increase sales and brand awareness at your next display event.

**Market research has shown that illuminated advertising attracts a much higher customer footfall, enables quicker customer processing, and offers a significant increase in sales compared to non-illuminated advertising.**
